IT'S ILLEGAL TO SANCTION HER

Christina Shcherbinina is the true identity of star Liya Silver, and she was born on 25th Feb 1999, in the Kyrgyz States. She is currently 23 years old. She grew up with her mom in Kyrgyzstan till she graduated from senior schooling, following which she relocated to Saint Petersburg, Russia, with her daddy. Her father and mother were separated at the time of her birth.

Liya Silver was born under the birth sign of Pisces. She took years to be better in her career. In a short amount of space, the Russian actress Liya gained widespread exposure in the adult entertainment sector as well as on social multimedia platforms such as Instagram, Twitter, and TikTok. She presently resides and works in Saint Petersburg Russia, and possesses Russian nationality status.

According to her private PH profile, Liya Silver has presently ranked in the top 50 adult beauty stars globally and even in the best ten Russian girls in the hubs. She has almost 100 million combined video viewers on her channel. And she has an adhering 200,000 members on the site. In addition to her stunning tattoos, Liya created a record by becoming the first performer to be awarded the “Best New Foreign Starlet” position at the **2020 AVN - AWARDS**.

Just one year after making her premiere, Liya was nominated for and won the esteemed “2019izEuropa-Awards” in the categories of “outstanding new starlet” and “best scene glam” alongside Jia Lissa.

Liya first enrolled in university to pursue a career in administrative management, but her interest in photography led her to pursue a career in the entertainment industry. Previous to entering the adult industry, at the age of 18, she accumulated a large number of performing jobs for a variety of Flagship stores in her resume.

Liya met “Julia Grandi” – the founder of the Hungarian modeling agency JulModels – when she was 19 years old through a mutual connection in the adult profession. At the age of 19, she began her path to become one of the best and highly demanded actresses in the adult entertainment profession, which began in May of that year.

Julia, which is also entirely composed of producers/directors for VMG-Vien-Media-Group, had her bold scenes acting debut in the film “Alone in Mykonos,” in which she co-starred with “Christian Clay,” wherein she played opposing her. In the years after that, the star Liya has performed with nearly all of the big production studios, although her most well-known assignments have always been with VMG Productions.

As an Instagram celebrity from Russia, Liya enjoyed a significant level of active participation in the lifestyle photoshoots through this platform. Also, wherein her interesting fan base eagerly awaits the post of new photographs and elevated video clips from her profile. Her steamy hot photos on the Insta homepage have an average of 50K likes, whereas her most recent Instagram videos have had over 250K viewers.

BODY ART

One of the greatest demanded Russian fancy p*ntstar in industry models, Liya Silver, is well aware of putting too many tattoos or freckles on her limbs, shoulders, and body. It may harm her modeling options in the future. That's why the fascinating beauty has done an excellent job of covering her tatto designs.

Liya has three visible tattoos on her body shape. "A lion's face encircled by an ornamentation" at the center of her upper stomach and beneath the breast. It is a minimalism tattoo of a Pointing within her left wrist and a massive lovely blossom tattoo design around her left leg. Liya has no apparent tattoos on her forehead and face..

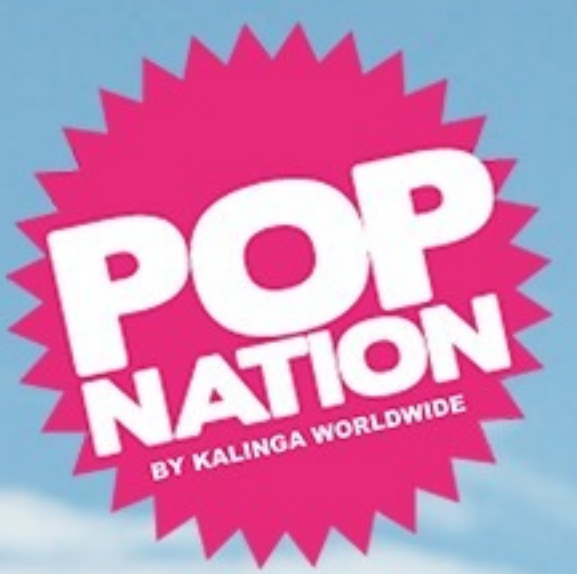

“

“This sketch was chosen by my ex-boyfriend, as she beautifully emphasizes the chest,”
“Another ex-boyfriend chose a tattoo on my leg. It’s a wreath of peonies. It’s my first one. The tattoos mean nothing; I just like the pictures.”
